About Dataset

🌮 Taco Sales Dataset (2024–2025)

About This Dataset

This dataset contains 1,000 records of synthetic taco delivery orders generated between **January 1, 2024** and **May 25, 2025**. It simulates realistic data for restaurants across multiple U.S. cities and includes order time, delivery time, taco details, pricing, tips, and more.

Designed for:

- Exploratory Data Analysis (EDA)
- Machine Learning model training
- Time series analysis
- Price prediction & delivery optimization studies
